President's Message

July 2020

Ladies,

It was so wonderful to see many of you at our June meeting. I absolutely hate that circumstances are preventing us from having the July meeting celebrating industry appreciation in person.
As COVID cases rise and more restrictions are put in place, we are all being forced to be more creative in the way we do business, as well as the way stay in touch with our friends and loved ones.

Your board and professional development and education chairs are looking for ideas on ways to engage during this virtual world. We need to know what YOU want from our virtual meetings and/or socials. Please reach out to any member of the board or the PD&E and Membership/Friendship co-chairs with any suggestions or ideas you may have.

For July's meeting (Industry Appreciation), we will be showcasing the projects of our members. Please join us in celebrating the accomplishments of your NAWIC sisters. After all, that is one of the things NAWIC is all about, lifting each other up and celebrating the success of women in construction! I hope to see you there.

I do have a few follow-up notes on other events:

- We have secured a new date for the golf tournament and have had an encouraging retention rate from our participants and sponsors, despite this second postponement. Please see updated golf flyer later in this Blueprint.
- You should have received a survey monkey regarding your intended participation at Fall Conference. Please take a moment and complete. This is vital for the planning of this event.
- Annual Conference has gone virtual and registration costs reduced. Please check out the National website for details.
- The chapter is still offering the opportunity to have your registration reimbursed if you attend the conference and write a report.

If I have learned anything about this organization, it is that its' members are strong and resilient. I know we will have a great 2020-2021 year under Sharon, despite the ongoing challenges, and I can't wait to see what we accomplish next.

Sincerely,
VaLissa Padgett
